TOTAL AMOUNT:

Sketch your orders, such as power sockets, spotlights and etc on the plan below

- Exhibitors are not permitted to fix their own cabling for spotlights or fluorescent tubes. Special lightings supplied by exhibitor can be handed over to PICO for installation. Each tube or bulb (to a maximum of 100W each lighted) will be charged at lighting connection per fixture and per lighting.
- All items ordered are on rental basis and exhibitors will therefore have to be responsible and liable for any damage or loss.
- For water supply and air compressor, exhibitors are required to bring along their own adaptor for connection to their equipment.
- Exhibitors with very sensitive equipment are advised to bring their own stabilizer to cater for voltage or frequency fluctuation.
- Any complaints regarding furniture rental/installations must be lodged the day before the exhibition commences. Otherwise all items are deemed to have been received in good order.

SPECIAL REQUIREMENTS

Besides the rental items available, PICO would be pleased to propose designs and special graphic treatment or custom made display aids, counters, etc. (PICO also can construct or produce based on exhibitor's own design.)
